## GLE 20 S2

The GLE 20 S2 compact speakers deliver the highest sonic performance with very living room-friendly dimensions. At the same time, technically mature speaker chassis and skilful sound tuning ensure the best Canton quality and thus guarantee long-lasting listening pleasure. New and unique in this price and size class: the ATB woofer/midrange driver (Aluminum Titanium Black) and the AB tweeter (Aluminum Black) set striking accents both sonically and visually. With maximum rigidity and minimum weight, they guarantee exceptionally precise signal processing. The result: clear, dynamic, and balanced sound from a small compact speaker – even at high volumes.
