PRODUCT INFORMATION

GLE 100 S2

The GLE 100 S2 is the flagship model of the new GLE series. These 3-way speakers, equipped with new 220 mm ATB woofers (Aluminum Titanium Black), are designed for large rooms and offer enormous sound volume. Thanks to their modern and timeless design, the speakers can be integrated into any living environment. They are available in "Black decor" and "White decor" versions with a matt black or silk matt white lacquered baffle. The design is rounded off by oval black fabric covers that are magnetically attached to the baffles.
