Variants

Classic elegance

Derived from the Italian word for "wind" the new Vento models combine elegance with powerful sound performance. The flowing curves, the offset base, and the distinctive square shape of the tweeter define their unmistakable design. With an exclusive range of elegant color options and high-quality finishes, the new Vento speakers make a statement in your living space – not only with their sound but also with their appearance.

White Satin

High-Quality Design

The Vento 11 was specifically designed for wall-mounted installation. Its slim profile, distinctive cabinet design, and high-quality finishes create a sleek, elegant presence that blends discreetly into the living space. The sealed enclosure ensures exceptionally controlled and clean transient response, while the rounded front panel with curved multilayer laminate reduces cabinet resonance. The result is a smooth, precise soundstage that integrates harmoniously and unobtrusively into the room.
