# SYD 5

## Powered iPod Speakers

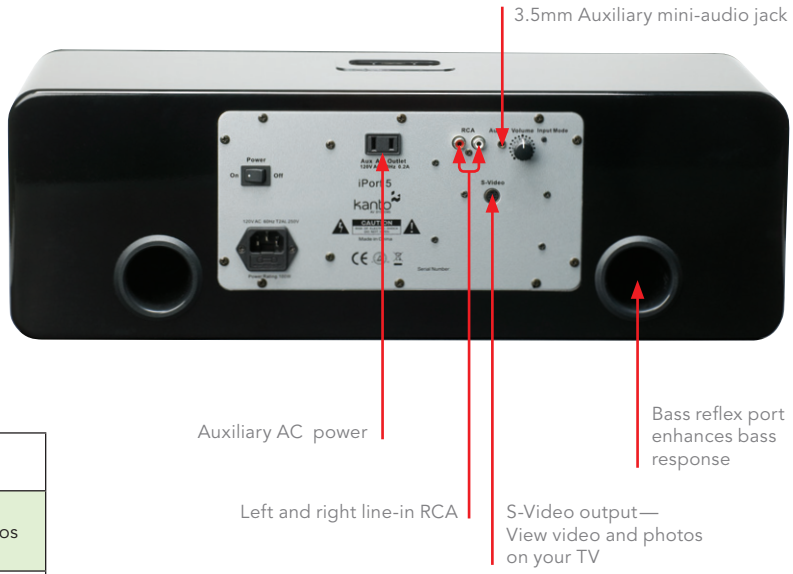

Kanto AV Systems manufactures and distributes exceptional iPod speakers for consumers demanding a break from mediocrity. Kanto is committed todelivering products that combine superior performance, elegance, craftsmanship and value. The SYD 5 delivers all that and more in a powerful, hand crafted, feature-rich speaker.

Made for iPod

"It's not often you hear real bass on an iPod speaker system, but the SYD 5 is a bona fide wide-range system, from the tight, clean midrange down to the low, low floor-thumping frequencies."
